

Historic Royal Palaces is the charity that looks after:

Tower of London
Hampton Court Palace
Banqueting House
Kensington Palace
Kew Palace
Hillsborough Castle

We help everyone explore the story of how monarchs and people have shaped society, in some of the greatest palaces ever built. We raise all our own funds and depend on the support of our visitors, members, donors, sponsors and volunteers.

Planting list for the White Garden

Kensington Palace, spring and summer 2017

The planting has been chosen to be predominantly white and cream though the design includes accent colours planted to offset the white.

There may be some alterations made to the planting as the season progresses.
